

10 October 2013

Mr. David Gordge,

On behalf of Daishin Judokai and Kiwi Club Osaka, it is my pleasure to congratulate you on the 25th anniversary of the Goshin Judo Kan.
25 years is quite an impressive milestone for your dojo.

From all of us here in Japan, we wish for the continued prosperity and further development of the Goshi Judo Kan.

Goshin Judo Kan and Daishin Judokai became sister judo clubs on October 1998, and we hope our relationship will become even stronger and more fruitful into the future.

I believe that the former president of Kiwi Club Osaka, Iwata sensei is attending this dinner party.

I wish I could be there myself with you and your members, but I am sure that Iwata sensei will provide great company and fully enjoy the dinner party for the both us.

I apologize for not being able to attend, but I would like to make a toast from Japan:
KAMPAI !!!

Have a good time.

Sincerely,

Akihiro Matsuura

President
Daishin Judokai
